

# Dreaming

*Matt Hyam*

Em C G D  
We are dreaming of a world where no mother will shed tears  
We are dreaming of a world where no child will live in fear

We are dreaming of a world where all the broken hearts are mended  
We are dreaming of a world where all the holy wars have ended

Em C G D  
Oh Lord, let your Kingdom come  
Oh Lord, let your Kingdom come  
  
Oh Lord, let your Kingdom come  
Oh Lord, let your Kingdom come

Em C G D  
We are dreaming of a world where no baby will go hungry  
We are dreaming of a world where no child of yours is lonely  
  
We are dreaming of a world where broken bodies dance & run  
We are dreaming of a world where only justice will be done
