

THE TIME FOR JUBILEE
Southampton Vineyard

D Em
You have told us to speak for the voiceless
G D
And bring justice for those being crushed.
D Em
To stand with the poor and the helpless,
G D
And to act in a way that is just.

G D
You are our King, friend to the friendless
G D
You are our King, the strength to the weak
G D
You are our King, healer of the broken
Em G D
This is your time, the time for jubilee

You have sent us to feed the hungry
And give a home to one who is lost
To give love to the one who is lonely
And to act in a way that is just

You have showed us, O Lord what is good.
And what you require from us
To walk humbly, be lovers of mercy
And act in a way that is just
